Observations:

December 2013 - Shore registered five points (one goal, four assists) as the University of Maine defeated American International, 7-1, on December 13. Through 16 games, he ranks 8th among scorers in Hockey East with 19 points (seven goals, 12 assists) and currently rides a seven game point streak dating back to Nov. 15. *Clayton Bailey*

November 2013 - Shore began the season unable to record a point through the first three games with the University of Maine (Hockey East). He's since rebounded by tallying seven points (two goals, five assists) over the last seven games, including a goal and an assist in Maine's 7-0 route against Boston University on Nov. 15. *Clayton Bailey*

April 2013- Devin wrapped up his first season of NCAA hockey with the Univ. of Maine, leading the Black Bears in scoring. Shore finished with six goals and 20 assists and played in all 38 of his team's games. He also saw time in both powerplay(two goals) and penalty kill(one shorthanded goal) situations. *Rex Doty*

October, 2012 – Shore was one of the younger players in this year's draft, but that didn't stop the Dallas Stars from choosing him in the second-round, 61st overall. Shore has keen vision and quick hands, making him a natural playmaker. He has good hockey sense, which usually puts him in a good position at both ends of the ice and he makes his linemates better. Shore is beginning his freshman season at the University of Maine after compiling 58 points in 41 games for Whitby last year. His skating could improve, and if it does he will be a star for the Black Bears.

Fantasy Outlook : B-

Several years away, but a skill package worth keeping an eye on. He has top-six upside.
