Ivan Telegin, C

Shoots: L

Height: 6-4

Weight: 185

Born: 1992-02-28

Hometown: Novokuznetsk, Russia

Drafted: 2010 by Atlanta, 101st overall

Observations:

April 2013 - Ivan Telegin suited up in 34 games for the St. John's Ice Caps this season but found the scoresheet only 10 times (three goals, seven assists) in his AHL rookie season. With a game based on size and strength, Telegin may require a few seasons of pro seasoning before leaving his impact at the next level. Look for him to develop slowly but his potential is as a very good third liner. *Brendan Ross*

April 2012 – As a 20 year old in his third season in the OHL, Telegin is leading the Barrie Colts in playoff scoring heading into the second round. The big Russian playmaker was acquired by Barrie from Saginaw to unite him with fellow Jets prospect Mark Scheifele. His career OHL stats are impressive in 156 games he has 81 goals, 88 assists for 169 points. He skates well and plays a more North American style than the typical flashy Russian style. Telegin uses his size well at the OHL level.

Fantasy Outlook : B

Telegin is a proven scorer and playmaker in the OHL. He has the skating, size and defensive awareness to ensure a shot at the NHL.
